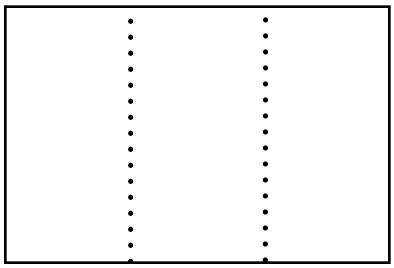
Mexico Brochure Guidelines

1. You are making a three fold brochure. Fold your paper as illustrated below:



2. Your brochure needs to include the following:
   Cover: Title on top, map of Mexico in the middle, your names and mod on bottom
   Inside left page: Summary of the history of Mexico
   Inside middle page: Summary of the government and economy of Mexico
   Inside right page: Tourism: What might a visitor to Mexico do and see while there?
   Backside middle page: Draw and color the Mexican Flag
   Backside right page - Quick Facts about Mexico, including population, land area, official language, most common religion, GDP, common holidays, number of states, main landforms and water forms.

3. You may use your book, the Almanac, and the internet (at home) as resources. Your finished project is due Wednesday at the end of the mod.
4. This project is your main assessment for Chapter 6, and will be worth 100 points. Put your very best effort into it. This includes:
   a. Neatness of written words and drawings
   b. Use of color throughout
   c. Accuracy of information
   d. Covering all required components outlined above.
   e. Turning your work in on time.
   f. Both partners doing their share of the work. If you are not doing your fair share points will be deducted from your grade.
